St. John's Church
Elect Officers and
Plan for New Organ

St. John's church of Mokena held its annual meeting January 3 at which time Messrs. Eugene Hinspeter, Earl Moss and George W. Steele were elected to serve two years on the church council to replace Messrs. Henry I. Clark, Raymond Knieriem and William Schult.

Since then the council has met and organized itself as follows: Emil Keuch, president; Eugene Hinspeter, vice president; Albert Lorenz, sec. secretary, Earl Moss, fin. secretary, Howard Strassenberg, treasurer and George W. Steele, trustee.

The reports given at the meeting showed substantial progress in all departments of the church. Thirty-eight adult members were received during the past year. The children's department of the Sunday school has an enrollment of over one hundred.

A plan for the financing of the new organ which will be installed early this year was adopted. A committee of 16 will carry out the solicitations. Since the impetus for this new organ was given in 1945 with a memorial gift for a new organ in memory of Mrs. Caroline Marti, and other such gifts have been made, the organ has been appropriately designated a Memorial organ.

Good Subjects And
Leaders at Marley
Farm Life Program

The 1950 Marley Community Farm Life program got off to a good start at its first meeting of this season last evening, in the Marley church.

The speaker, Ralph Taylor, of Joliet told about, "New Poultry House keeping Methods," which interested both men and women.

The subject for the next six meetings for the men will be January 18, Proper Use of Commercial Fertilizers led by Max Kuster, Agriculture teacher at the Joliet Township high school. The women will have Mrs. Chris Froemke from Beverly Hills, speak on Hooking for a Hobby. Mrs. Froemke has a reputation of making beautiful hooked rugs.

Jan. 25, Art Kelly of Joliet will talk on Management of Soils to Keep Them Productive. For the women that evening Doris Ray will speak on Home Management for Greater Efficiency.

Feb. 1 will be a potluck and a forum on How Can I Improve my Personality for both men and women.

Feb. 15, a local veterinarian will speak on Diseases of Farm Animals, and Jane Roe will speak to the women on Tips on Electric Cooking.

Feb. 23, Harvey Allison will be the leader and will speak on Quaker Oats Poultry and Hog Feed, a joint meeting of men and women.

March 1, the men's subject will be "Hybrid Hogs," and the women will discuss Desserts with Appetite Apple, led by Doris Ray.

The last meeting in the series, Wednesday evening, March 8, will be the pot luck banquet at which time Harry Adams, science instructor at the Joliet high school, will be the speaker.

All the meetings are open to the public. There is no charge made outside of a free will collection to cover the cost of the lights and refreshments. There is a cordial invitation extended to anyone to attend one or all of the meetings.

Dr. Maier Stricken

With deep regret we announce that Dr. Walter A. Maier, regular Lutheran Hour speaker for 17 seasons, since the beginning of this radio mission for Jesus, has suddenly been stricken with a heart ailment. He is resting comfortably at the hospital in St. Louis and making satisfactory progress.

During the entire period of 17 years Dr. Maier has never missed a single Sunday because of ill health. He has missed only one Sunday, at the time of his mother's death.

We know that you will join the many thousands imploring the Great Physician to bless the efforts of the doctors and nurses and grant Dr. Maier a speedy recovery and an early return to this network and the work of Bringing Christ to the Nations.

During the next several weeks the Lutheran Hour messages will be presented by Chaplain (Lieutenant Colonel) Arthur Carl Piepkorn, Commandant of the United States Army School at Carlisle Barracks, Penn. Doctor Piepkorn's topic for the coming Sunday, January 15, will be: "Matrimony Should Be Holy."—Publicity Dept. International Lutheran Hour.

NEW LENOX BUSINESSMEN
TO MEET JANUARY 18

The New Lenox Businessmen's association will hold their regular meeting and dinner Wednesday evening, January 18 at 6:30 o'clock in the St. Jude's Catholic church dining room.

Tickets may be had from Earl Schroeder or at the Economy Food store.

BABY UNHURT IN
AUTO ACCIDENT

As Mrs. Edward Wirth 25, of Champaign was driving to her home Saturday afternoon, January 7 after a visit with relatives on the north side of Chicago, she suffered painful injuries when her 1941 Ford Tudor, skidded on a patch of ice on route 45 near the Rock Island viaduct just north of Mokena. The car skidded across the highway, into a ditch and over turned before coming to a stop.

Dr. E. G. McMahon of Mokena was called to the scene by George Klose near whose farm home the accident happened. Dr. McMahon gave Mrs. Wirth first aid at the scene and then removed her to the Klose residence. Mrs. Wirth received a fracture of the collar bone and bruises on her arms and legs. Her 2½ month old baby daughter who was with her was uninjured.

She remained in the Klose home until her husband, who was called, came for her and took her home.

State Patrolman William Perry made an investigation. The car was towed to the Cooper & Hostert garage at Mokena. It was badly damaged.

Special Meeting On
Legume-Grass Plan

Farm Adviser Wayne Churchill has announced that representatives of all farm groups and agencies in Will county have been invited to attend a special legume-grass planning meeting this evening, January 12, at 8:00 o'clock in the Farm Bureau meeting room in Joliet.

The purpose of this meeting is to lay the ground work for the county-wide legume-grass program for 1950. Invited to attend the meeting are representatives from all the banks and elevators in the county, Soil Conservation, Farm Bureau and County Dairy Service board members, county PMA committee, county vocational agriculture instructors, GI instructors, representatives from the press and radio, and representatives of several other agencies closely allied to agricultural welfare in the county.

All farm groups and agencies are being asked to cooperate in this major drive for more wide-spread use of legume-grass combinations for hay, rotation and permanent pastures.

The state-wide legume-grass program is the result of more than two years of study and planning by crop, soil, livestock and engineering specialists of the University of Illinois College of Agriculture. Under the direction of Dean H. P. Rusk and the college, a special legume-grass committee has devoted major attention during the past year to the organization and production of special materials to aid in the program.

Many Will County farmers have already done fine work in soil improvement and erosion work, yet the facts are that only about one acre in ten of our tillable crop land is in meadow. Years of study have proved that under the right management, legumes and grasses can be one of the most profitable crop combinations on any Will County farm.

Corn Survey Held By
PM Administration

Corn growers in Will County were urged today to cooperate fully with PMA community committees who are now conducting a survey of farms throughout the county.

Conrad Borms, chairman of the County PMA Committee, said that the committeemen are already at work gathering reports of corn acreage during the past three years.

These reports will be used to establish individual farm acreage allotments for 1950 if corn allotments should be announced by the Secretary of Agriculture. The allotments would be based generally on the farm's corn acreage for 1947, 1948, and 1949.

"Any farmer who operates a farm which produced corn in any of the years 1947, 1948 or 1949, should contact the county PMA office if he has not furnished a committeeman corn acreage data for his farm, Mr. Borms said.

"If any farmer will be producing corn in 1950 on a farm where no corn was planted during the period 1947, 1948 or 1949, he should file a written request for a corn acreage allotment with the county PMA office. The last date for filing such a request is January 20, 1950."

"If allotments should be announced for the 1950 corn crop, they would apply to every corn farm in Will County."

The survey is particularly important according to Mr. Borms, because the new price support law directs that price supports on the 1950 corn crop be set at 90 percent of parity to cooperators.

Whenever corn supplies at the beginning of the marketing year exceed normal by more than 20 percent, corn marketing quotas, as well as acreage allotments, must be proclaimed. Quotas may not be put into effect, however, unless at least two-thirds of the growers voting in a referendum approve their use.

Homer Consolidation
Of Schools Defeated
In Straw Votes

The series of meetings which have been held in Homer township during the past two weeks to discuss the feasibility of forming a consolidated school unit in the township, have all been poorly attended.

The last meeting of the series was held Monday evening in the Goodings Grove public school. At each of these meetings, straw votes were taken and they were not opened until after the Monday night meeting with the result of 25 for and 138 against. In no case were votes cast in the majority for the proposition.

The votes by districts are:
District 128, Hadley 2 11
District 127, Barnett 5 14
District 131 Wells Corner 3 32
District 132, Harrington 6 20
District 134 Solderman 8 28
District 135 Goodings Grove 37 37
District 130 Ross 3 25
District 129 Lauffer 1 8
Total 25 138

What the next step will be remains to be seen. The Solderman district has been contemplating building a new school or an addition to the present one to overcome the crowdedness of the building.

VFW Aux. to Hold
Card Party B. Sale

The regular meeting of the Mokena Auxiliary to William Martin Post 725, was held Thursday evening, Jan. 5 in the new VFW hall on Wolf road. There were 19 members present.

The hospital chairman, Mrs. Mathilda Stankus gave a detailed report of the Christmas party that was held at Kankakee State hospital for 77 men and 4 women. A Valentine party is planned for that group in February.

A bakery sale will be held from 2 to 4 o'clock on Saturday, Jan. 21 in the Cooper and Hostert Garage. Mrs. Edna Spiess, chairman, Mrs. Mildred McMillan and Mrs. Mary Clark are the committee in charge. Proceeds will be used for the hospital fund.

Mrs. Bertha Ziesmen presented the Auxiliary with 24 teaspoons and 12 forks.

The membership chairman, Mrs. Lydia Muller, reported 2 new members: Mrs. Dorothy Bierger and Mrs. Cecelia Cooper.

Mrs. Alma Peterson, a member of the kitchen purchase committee, reported that 100 new chairs and six card tables have been bought, and that the new sink will be purchased next week.

A school of instruction will be held January 21 starting at 10:00 a. m. in the Bal Tabarin room of the Sherman hotel in Chicago. At 6:30 p. m. a banquet will be held there to honor our national president, Mrs. Evelyn B. Monaco and to celebrate our 25th anniversary as a department. The price of the ticket is \$4.50 including tax and tip. Reservations must be in by Jan. 18.

The regular card party will be held in the new VFW hall for the first time on Jan. 14. All games start at 8:00 p. m. The committee in charge will be the president and past presidents of the Auxiliary: Mrs. Grace Kopelman, chairman, Mrs. Louise Hentsch, Mrs. Alma Peterson, Mrs. Louise Homering, Mrs. Maude Larson and Mrs. Mathilda Stankus. The public is cordially invited to attend.—Mary A. Clark, publicity chairman.

New Lenox Research
Engineer Died in
Hospital Jan. 6

Last rites were held Sunday for Verner Dahlman who passed away Friday afternoon January 6 in Silver Cross hospital.

He was seized with a severe heart attack in his home at 219 Fir street New Lenox, and was removed to the hospital where oxygen was administered.

Mr. Dahlman, who was employed by the American Air Filter company at Louisville, Ky., as a research engineer, was born August 8, 1886 in Gefle, Sweden. He came to this country with a sister when he was 17 years old. About four years later his parents, Mr. and Mrs. Erik Dahlman and another sister and brothers arrived and together they settled in New Lenox township on a farm where they lived for many years.

In September 24, 1921 the deceased was united in marriage with Miss Gladys Polen in her home in Montana, and came to New Lenox where they have lived since.

He commuted by plane between New Lenox and the Kentucky firm. Surviving beside his widow are, a son Welby of New Lenox; a sister Hilda and two brothers, Henning and Agaton of Chicago.

Funeral services were held in the Sonntag funeral home in Joliet Friday afternoon with the Rev. G. F. Andree, pastor of the Bethlehem Lutheran church officiating. Burial was in Maplewood cemetery in New Lenox.

BASKETBALL

Tinley Sportsmen's club won their second league game by beating New Lenox 55-52 on January 4. Tinley looked much the superior in the first half and out scored New Lenox 31-16. As the second half started, the crowd showed a decided lack of interest and a hum of conversation filled the big gym.

Everyone knew the game was over, everyone but the New Lenox team, and they kept scoring till they were within four points of Tinley. The Tinley coach sent in replacements but the score got still closer. Then with three minutes to go the crowd was cheering every shot. New Lenox scored and led for the first time 52 to 51.

Then Don Tomlinson tried a long shot and Tinley led by one point. Just to make sure, Dean Utter and Wes Landau got together and scored just before the gun to make it 55 to 53.

Russ Andres led the Tinley attack with 19 points. John Ficker, who has been playing a defensive game up till now, showed everyone that he could be an offensive threat by sinking 5 of 10 shots.

High scorers for New Lenox were Caley and Penn with 15 and 14 points respectively.

Come out and see your team play Wednesday night at the Tinley Park public school.

INTERESTING CALENDAR
MAILED BY LOCAL DEALER

One of the most widely circulated calendars in the world is now being distributed by Minneapolis-Moline dealers and distributors, not only in the United States and Canada but in many foreign countries as well. The calendar also includes features on soil conservation and safety.

Over two million of these calendars will be distributed this year. The colorful illustration on this year's cover is a tribute to the FFA and 4H clubs and some of the activities the clubs sponsor. The cover shows younger members of a farm family preparing their club projects for competition.

Farm homes in this community will receive their copy in the mail from Swanberg Farm & Auto Service Co. The Minneapolis-Moline dealer in Mokena, Ill. Extra copies may also be obtained from this dealer.

MEXICAN FIESTA IN ORLAND
SCHOOL GYM JANUARY 28

The staff of the Orland Park high school year book is sponsoring a Mexican Fiesta to be held in the high school gym Saturday evening January 28 starting at 7:30 o'clock.

They are planning many activities and entertainments for the enjoyment of all who attend. The Mexican theme will be carried out in the evening's affair, which will be along the carnival idea. Everyone is cordially invited.

PUBLIC HEARING TO BE HELD ON
FLOOD CONTROL AND DRAINAGE
EFFECTS HOMER-ORLAND TWPS.

An important public hearing for flood control of territory which includes Homer and part of Orland townships will be held in the Lockport public school auditorium, Thursday evening, January 26 at 7:30 o'clock.

This is for the purpose of considering the advisability of providing flood control and drainage improvements in the vicinity of Lemont, Romeo and Lockport in Cook and Will Counties, Ill. It is understood that proponents of the improvement desire to have developed a general plan of flood control to embrace all streams tributary to or crossed by the Illinois and Michigan Canal between the limits of Calumet-Sag Channel and Joliet, Ill. particularly including Long Run, Deep Run, Fiddymen Creek, Milne Creek and Fraction Run.

The hearing is being held pursuant to the following resolution adopted on 6 July 1949, by the Committee on Public Works of the House of Representatives:

"Resolved by the Committee on Public Works of the House of Representatives, United States, that the Board of Engineers for Rivers and Harbors be, and is hereby, requested to review the reports on the Illinois River submitted in House Document No. 182, 72nd Congress, 1st Session, with a view to determining the feasibility of providing remedial works to reduce flood damages and to improve drainage conditions in the vicinity of Lemont, Romeo, and Lockport in Cook and Will Counties, Illinois."

All parties interested in the proposed improvements are invited to be present or to be represented at the above time and place, including

An accident Wednesday morning in New Lenox involving two trucks, resulted in the death of Ralph Hollister at 8:45, at the intersection of Cedar road and route 30.

The stop lights were working, recently installed for the safety of school children crossing the busy highway, when an automobile carrier owned by the Gray Transport company Inc., of Chicago, approached the intersection. The driver, Haig Kakusran of Detroit, Mich., according to witnesses, apparently didn't notice the blinking red signal until he entered the intersection. Then, according to J. C. Macklin, village police officer of New Lenox, Kakusran suddenly applied his air brakes.

Ralph Hollister, driving a truck for the Steel Transportation Co., of Chicago, was near behind, and as he applied his brakes, the steel shifted in the truck, pierced the cab and entered his body, killing him instantly. Kakusran escaped injury.

Hollister, who resided at 1200 Idaho St., Gary, Ind., was enroute with the load to Sterling, Ill. Will County Coroner Willard Blood said that he had an invoice for the load of steel, stating that there was 32,000 pounds on the truck.

Hollister is survived by his father, Ross, and his mother Leona, who live at the same address in Gary.

Besides Officer Macklin at the scene were, State Police Officer Perry and Coroner Willard Blood.

Coroner Blood stated that the inquest is pending and probably will not be held until the first of next week.

**Wheaton Woman
Seeks Representative
Office**

Mrs. Faye Bramer of 615 North Blanchard Street, Wheaton has announced that she will be a candidate for the nomination for member of the House of Representatives from the 41st District of the State of Illinois. This is the office held by Mrs. Lottie Holman O'Neil, who has entered the race for State Senator.
Mrs. Bramer has lived in DuPage County for the last eight years. She has lived in Wheaton the last thirteen years.
She has been an active clubwoman and sponsor of many projects for the good of her community. Her chief interests are the con-

servation of our natural resources and good Government. She is an ardent worker in the latter, going about the country giving lectures. She is conservation chairman for the 11th district of the Federated Woman's clubs. Her hobby is the study of American History through the study of old documents, old books, newspapers and antiques. Her outdoor life is working in her own garden.

Mrs. Bramer was born on a farm in Lawrence County, Illinois. She is a descendant of two pioneer families in that vicinity. She attended country school until she finished the 8th grade. She is very proud of this farm background. She is still interested in the farm enough that she talks of the farmer's interests understandingly. Then graduating from Vincennes high school, she attended Illinois State Normal school at Bloomington and Vincennes university. She then returned to teach in a country school four years. She taught in the Granite City schools four years, teaching History and Civics. She has had special work at Shurtliff college and Illinois university. She studied law at DePaul university.

She has been a social worker supervisor and has had a successful business experience.
Her political career began in 1924 when she was appointed a superintendent in the department of agriculture for the Illinois State Fair by Governor Len Small. She held the position four years.

She is a former member of the teacher's union and the motion picture operators union. She is a past president of the Republican Woman's club of Wheaton and is a member of the DuPage County Republican Woman's club board and a sustaining member of the Illinois Federation of Republican women. Mrs. Bramer is a past president of the American Legion auxiliary. A member of the Board of the Women's Department club as sponsor of the Junior Women's club.

During the war Mrs. Bramer worked one day out of each week at Vaughan hospital and was Victory garden chairman for Wheaton. She is a member of the Garden Study club and the House and Garden club.
She is distribution chairman of the Plant, Fruit and Flower Guild Board of Chicago which serves the settlement houses, charity wards and veterans hospitals. She is one of the founders of the Wheaton

Lecture series and it's first chairman.
Mrs. Bramer is the wife of Max L. Bramer, D.D.S., practicing Wheaton dentist.

**Firm Cited for
Employing Many
Handicapped Vets**

A national American Legion citation for having an outstanding record of employing physically handicapped veterans will be presented to the Northwestern Steel and Wire Co., Sterling, Ill., Jan. 18 at 8 p. m. in the Sterling coliseum.

The Northwestern firm was selected by the Employment Commission of the Illinois American Legion from a list of 30 employers recommended by Legion posts.

Lawrence J. Fenlon, of Chicago, state senior vice-commander of the Legion and chairman of the national Economic Commission, will formally award the citation to Charles A. Farnham, labor relations superintendent of the company.

Merle E. Schaad, of Princeville, state Legion commander, and Edward Turk, of Chicago, state Legion employment chairman, will also represent state Legion headquarters.

The Northwestern Steel and Wire Co. employs 600 veterans, 50 of whom are disabled. Since the war's end, 50 per cent of the male employees hired have been veterans. In addition, the firm operates a housing project, giving employees' four-room homes at low cost out of employees' current earnings. One-third of the 600 veterans are more than 40 years of age.

How Do You Feel?

You know, you hear a lot about the "welfare state" these days, and a lot about nationalization and socialization and so on.

You can find supporters for almost any argument, and you'll find a lot of people who argue that nationalization and the welfare state are the proper solution to all our troubles.

And—of course—you'll find a lot of people who will argue that the same principles would ruin the United States. The arguments for and against the propositions are legion. Some seem to be valid. Some are certainly highly illogical. But we think some arguments have been underplayed, and we're set to do a little playing.

We're against this nationalization business. We're against socialism. A welfare state doesn't appeal to us. We can see that some of the basic tenets of an argument for such a state are founded on highly idealistic beliefs.

Idealism has its place. It's a valuable quality, but this is not an idealistic world. It seems that idealism must always take a back seat to realism in the conflict which churns and boils in a competitive world. And don't kid yourself that any government law can do away with the competitive urge.

Then too, we don't think anyone wants charity. Sometimes it has to be accepted, but it hurts to accept it. We think everyone wants to earn what he gets and fight for what he has. This country was founded and has existed on these principles.

But there is one argument which really convinces us that a turn to a welfare state would be only temporary—and therefore time wasted.

It has been tried before. It is being tried now. And it has never lasted, or worked successfully.

Australia just voted back in free enterprise by a substantial majority after 10 years of welfare state government. England is a welfare state at the present time—but we're willing to bet won't be for long. Rumbles of dissatisfaction are turning into lusty roars.

Of course, we live in a bigger, richer country. We could hold out longer with the government taking the riches and then doling them out because there would be more to dole. But in the end the result would be the same—a return to free enterprise.

We believe that a man is put on earth to produce—not to live on the production of those more energetic than he. If a person is too weak or is unable to produce enough through no fault of his own, then he should be cared for.

That's a duty of civilization.

But if he is too lazy to produce—too slothful to try, then he should not be allowed to assume the position of a parasite.

We are a strong people. History proves it. We cannot afford to weaken ourselves through servility or a parasitical desire for security. Strength means existence and advancement. Weakness means temporary existence and destruction.—Pryor (Okla.) Times-Democrat, Dem.

HOMER

Elizabeth B. Anderson, Lockport 161
Telephone Lockport 886-M

The Good Luck camp of Royal Neighbors will meet Thursday afternoon, January 19, with Mrs. Anna White, North State street, Lockport. Assisting hostesses are Mesdames Mary White, Marion Ziesemer and Viola Welter.

Mrs. Ivar Olson of Lockport township who has been in poor health for some time, had the misfortune to break her hip recently and is a patient in St. Joseph's hospital. She is the mother of Mrs. Ralph Reiter and is well known to many Homer people.

Mrs. Margaret Perry is recovering from a light attack of pneumonia in her home in the Willard Rowley residence.

John Donahue, Jr., is recovering from the chicken-pox.

Mrs. Charles Davey who has been a house guest in the home of her niece, Mrs. Barney Welter and family has also visited many other relatives in this locality during the past six weeks, left for her home in Oakland, Calif., Saturday.

Mrs. Leethanne Hagy of Mississippi is spending several weeks with her brother and family, Mr. and Mrs. James Stanford, Saturday evening, Mr. and Mrs. Stanford and their guest and Joyce and Roger Habenicht were dinner guests of Mr. and Mrs. R. B. Haley in Chicago.

Mrs. Edna Mergler spent the past week caring for the Elwyn Reed family who have been ill.

Mrs. C. G. Rowley has been on the sick list for a few days.

Mrs. Fred Woelfel of Clearwater, Calif., who was called here last week by the death of her father, Fred Chamberlain of Lockport, was a Sunday visitor in the Harry Reed and Louis Habenicht homes. She left for her home Monday.

Mrs. Anna Welter is recuperating from a recent illness.

Mr. and Mrs. Jerome Paddock have been ill in their home during the past week.

Mrs. Ray Carlson and Miss Shirley Burh were Chicago shoppers Saturday.

The mother's club of Solterman school met at the school last Thursday evening.

Skating is being enjoyed by many at Duck Pond.

A prowler whose identity has not been learned was seen in the Joe Czerwinski door yard one night last week. It is thought he may have been trying to enter the chicken house but was frightened by a barking dog and Mrs. Czerwinski's flashlight.

A short business session will be held in the Homer church Sunday, January 22, following the morning service. Members and friends are requested to attend.

Following the Communion service last Sunday morning, three persons were received into the church fellowship, Mr. and Mrs. H. V. Drawes by transfer from the Salem, Ohio Presbyterian church and Miss Rita Rogers, who has been a junior member came into the adult group.

Nine members and one visitor, Mrs. B. F. Ingersoll, Sr., enjoyed the Kings Daughters meeting in the Mrs. Fred Trank home, Thursday afternoon. Desert coffee was served at 1 o'clock followed by a business and devotional meeting led by Mrs. Wilbur Francis. Sewing and conversation filled the remainder of the afternoon.

BOTTINO RUNS FOR REELECTION

Louis F. Bottino who is now completing his third term as Will county superintendent of schools, is a candidate for that office on the Republican ticket.

Mr. Bottino has made a most successful superintendent during these years, which have been especially trying in the school situation not only in Will county but throughout the state and country.

His experience includes 9 years as teacher, coach and principal at the Reed-Custer school in Bradwood. He enlisted in World War II as a private and was a First Lieutenant when discharged. He was one of two Illinois county school superintendents invited to attend the Rural Education workshop at Columbia university in New York this past summer. He is serving his second term as chairman of the Fox Valley block, ten counties, of County Superintendents. He is president-elect of the Northeastern division of Illinois education association which includes teachers of Will, Kane, Kendall and McHenry counties.

His record in his office is founded on the goals of efficiency and service, having well qualified assistants and the cooperation of and with school officials.

Mr. Bottino affirms his faith in the atmosphere and tradition of America which has permitted his ancestors to rise from poverty by hard work and right living. He believes that good schools are a means of getting rid of "isms" that are dangerous and alien to American tradition.

INCOME TAX

by John T. Jarecki, Collector of Internal Revenue for the First District of Illinois

ARTICLE NO. 1

Filing Requirements
A citizen or resident of the U. S., whether single or married, having a gross income of \$600.00 or more for 1949, must file a Federal income tax return.

Although most of your Federal tax is withheld from your wages each payday or paid on your Declaration of Estimated Tax each quarter, the law requires you to file an annual return to determine whether you owe more tax or should get a refund of your overpayment.

If your earnings were less than \$600.00 in 1949 you should file a return, because you may be entitled to a refund. No refund will be made unless a return is filed.

Try to avoid the last minute rush by filing as soon as possible. Returns for the calendar year 1949 must be filed between January 1 and March 15, 1950. All returns should be filed at the office of the Collector of Internal Revenue in your district. Do not mail your return to Washington.

Any balance of tax shown to be due on your return Form 1040, (the white) must be paid in full with your return. You may pay in cash, or by check or money order. Checks or money orders should be made payable to "Collector of Internal Revenue."

Do not send currency by mail and do not send one check to cover payments on several different returns.

Be sure your return is properly signed. If it is a joint return, be sure both husband and wife have signed. Blank returns have been mailed to each taxpayer. But if you need additional forms you can get them at the office of any U. S. Collector of Internal Revenue.

Please do not forget that you must attach to your tax return every Form W2 that you received from your employers for 1949 salaries or wages. To prevent the loss of these forms you should pin or staple them to your return. File early if you expect a refund.

For the purpose of assisting taxpayers in preparing and filing their income tax returns, those in this section may go to the offices located in Joliet, 126 Scott street; Chicago Heights, 1306 Halsted St.; Blue Island, Post Office Bldg., and Chicago, 6555 Cottage Grove avenue 7919 South Ashland. These offices are open from 8:30 to 5:15 p.m. on Mondays through Fridays.

Give Correct Data
For Auto License
Applicants for Illinois automobile passenger and truck license plates were urged by Secretary of State Edward J. Barrett today to check carefully in supplying data required on applications. He said failure to do so is causing delay in filling many thousands of applications and increased expense in postage as well as slowing up service on eligible applications.

The Secretary said improperly completed applications for automobile passenger licenses is responsible for return of an average of more than 600 a day. Likewise, errors in truck license applications cause more than 200 of those to be returned each day.

Errors in applications, Mr. Barrett said, include failure to show a lien on the face of an application for a certificate of title, incorrect assignment of title, failure to sign an application or to have it notarized and wrong amounts in paying the license fee or for transfer of license registrations.

W. H. Maxwell is a
Candidate for Will
County Treasurer

William H. Maxwell, a life long resident of Joliet and who has been employed as deputy county treasurer for the last 11 years, has announced his candidacy for the office of Treasurer of Will county in the Republican primary on April 11.

The many friends of Mr. Maxwell believe, because of his contact with the treasurer's office, that he is very capable of handling the office if elected. He lives with his family at 719 Richards street, is a member of the Bethlehem Lutheran church and the Lutheran brotherhood. He is an active member of the American Legion, the Joliet Lyons club, and many other organizations. He has served as Commander of Harwood post in the American Legion and made an outstanding record in this office. He served as chairman of the committee which purchased and improved the present quarters of Harwood post; served as Will County Adjutant and 11th district Judge Advocate, raised funds and made arrangements which led the Harwood Post band to their first national championship in San Francisco. He has been an active member of the Joliet Lions club and is now serving as chairman of the safety committee.

Mr. Maxwell has a long record of

service in the Community Chest organization, having served many years on the publicity and promotion committee, and was a director of the Red Cross and has been active in its membership drives.

Mr. Maxwell served on various committees during the recent war. He acted as chairman of the material and supplies committee of the Civilian Defense Corps, and helped on the special events and bond drive committees.

Mr. Maxwell is well acquainted with the intricate problems of the collection and distribution of taxes and the work of the treasurer's office. He stands on his record of honesty, efficient, prompt and courteous service to the public and his record of service to his community.

From where I sit... by Joe Marsh

Why Scoop No Longer Works Here

Scoop Blake paid us a friendly call at the Clarion's office last week and we were talking about when he was a reporter here.

"Remember how mad I got when I found out you were writing that election story right from your desk?" I asked him. "And how I made you get out and learn what a sheriff's job was all about?"

"I sure do, Joe," said Scoop. "I want to thank you for teaching me the 'hat-trick'—putting on my hat and finding out the facts, that is." Then we both had a good laugh because he found out so much that

darn if he didn't run and get elected sheriff himself!

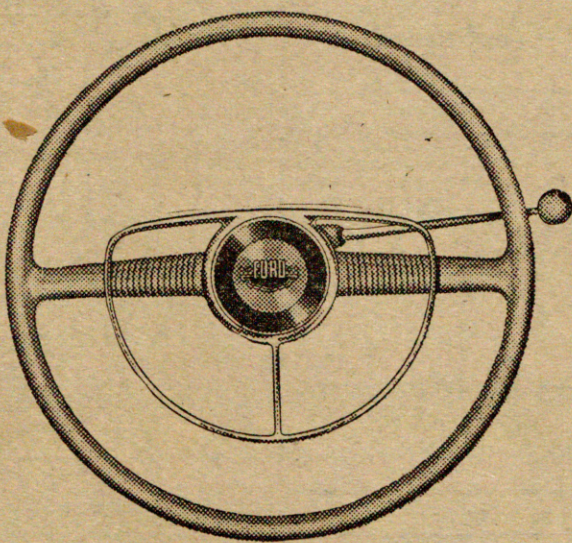

From where I sit, we should find out the facts before we try to talk about anything. When we do, we're inclined to be more tolerant... we're apt to understand a little more about the other fellow's preference for, say, his political candidate or for a temperate glass of beer now and then. I say, if you don't want to get tripped up, don't leap to conclusions!

Harold Downey, Candidate for Re-election

Completing his third two-year term in the Illinois House of Representatives, Attorney J. Harold Downey of Joliet has announced that he would be a candidate for re-election as Democratic representative from the 41st senatorial district.

The district is composed of Will and Dupage counties.

At the last session of the General Assembly, Attorney Downey served as chairman of the speaker's committee on enrolling, transcribing and typing bills. During the six years he has been in Springfield in the legislature, he actively supported all of the Democratic administration measures, including the Constitutional convention and the Fair Employment Practices Act. At present he is acting as trustee of the General Assembly Retirement System and is a member of the judiciary committee of the House. This latter committee is composed

soloely of attorneys.
Active in local and district organization work, Attorney Downey at present is serving on the Will County organization publicity and finance committees.

"My record speaks for itself," he said in announcing his candidacy. He added that he believed his knowledge of law and the experience he has gained in the legislature during his previous terms would assure the district of "good, efficient representation."

A native of Joliet, Mr. Downey

has been practicing law in Joliet for more than 28 years.

He resides at 403 Cowles avenue with his wife and their four children.

3 IMPORTANT FEATURES

MAKE THE JOHN DEERE YOUR

Outstanding Buy!

Three mighty important features of the John Deere Side-Delivery Rake add up to a combination that assures more profitable hay-making.

First: its spring-suspended floating cylinder conforms readily to the surface irregularities... picks up all the hay. Second: the quick-detachable curved teeth gently lift the hay into loose, fluffy windrows with stems outside, leaves inside, to cure in Nature's way. Third: the inclined frame provides plenty of clearance where the volume of hay is greatest.

These outstanding features combine with many other advantages to give you a rake that's tops in leaf-saving performance. See us soon for full details.
